Making Sense of Practice Accounts

Thursday 10 March 2022 | 19:00 - 20:30

Medical accounting is different from business accounting, not least because GP practices are often partnerships, rather than limited companies. Making sense of the accounts shouldn't require a master's in finance but it's helpful to grasp the basic principles of accounting and how they apply to GP practices.

Areas to be covered:

- How to read a set of accounts
- Benchmarking – Salaried v Partner
- What to look for in partnership accounts
- The meaning of capital accounts
- What happens when a partner joins?
- Self-employment
- Partnership property.

This webinar is being organised by RCGP Wales but is open for booking UK wide.

AiTs: £15 | Members: £20 | Non-members: £25.

Please register for this event [HERE](#).

Advance and Future Care Planning (AFCP)

Conversations: Part Two

Thursday 24 March 2022 | 19:00 – 21:00

This is webinar 3 of 4 'bitesize' evening webinars exploring the evolving relationship with patients regarding Advance Future Care Planning (AFCP).

Learning Objectives:

- How do we initiate conversations with:
 - Patients with cultural perspectives about illness, death and dying

- Patients with learning disabilities
- Patients and mental capacity issues
- Patients in care home settings.

There will be an opportunity for Q&A following each session.

This webinar is **FREE** and open to ALL clinical primary care professionals across the UK.

Please register for this event [HERE](#).

Early diagnosis of Acute Leukaemia, blood tests and diagnostic service pathways

Tuesday 5 April 2022 | 19:00 – 20:00

This first part in a two-part series will have a practical and Welsh service delivery focus with case studies and provision of top tips and safety netting advice.

The webinar will cover the main forms of Acute Leukaemia, typical presentations, and diagnostic challenges in primary care.

Focus will be on:

- Early diagnosis and early intervention
- Appropriate referral mechanisms for emergency cases
- Support for acute leukaemia patients
- Signposting for survivorship support.

This webinar is **FREE** and open to ALL clinical primary care professionals.

Please register for this event [HERE](#).

A Landscape of Sustainable Primary Care

Thursday 28 April 2022 | 19:00 – 21:00

In association with Greener Practice Wales, RCGP Wales are delighted to bring you this webinar looking at the landscape of sustainable Primary Care. We have a wealth of knowledge and expertise being delivered from some wonderful guest presenters and topics covered will include:

- Eco-inhaler launch and guidelines
- Public Health Wales Toolkit launch
- Primary Care carbon calculator
- Case studies, including development in Swansea
- Green prescribing.

There will also be chance for questions and discussion throughout.

This webinar is **FREE** and will have a Welsh theme but colleagues from across the UK are welcome to join.

Please register for this event [HERE](#).

Early diagnosis, active monitoring and active treatment of Chronic Leukaemia

Thursday 5 May 2022 | 18:30 – 20:00

This second part in a two-part series will have a practical and Welsh service delivery focus.

In this webinar we will discuss the signs, symptoms characteristics and key clinical features of main Chronic Leukaemia types with an emphasis on the difference between CML and CLL.

Areas to be reviewed:

- Case studies
- Typical diagnosis
- Blood tests and referral
- Treatments and management
- Holistic care and psychological support
- Signposting

This webinar is **FREE** and open to ALL clinical primary care professionals.

Please register for this event [HERE](#).

RCGP Wales Balint Taster Session

Wednesday 26 May 2022 | 19:00 – 21:00

What is Balint?

A Balint group consists of around ten clinicians who meet regularly with group leaders to share and reflect confidentially on their clinical work. During a Balint group, a participant volunteers to present a case, talking in everyday language about what happened between themselves and the patient. Then the case is taken up by the group for reflection and discussion.

What the evening will include:

- There will be an opportunity, after a short introduction, to experience a Balint group session and express an interest in creating a new online Balint Group
- Thought provoking and relaxed discussion
- A chance to either participate in or observe a live Balint Group discussion.

This webinar is **FREE**.

Please register [HERE](#).

Advance and Future Care Planning (AFCP)

What Next? After AFCP

Thursday 26 May 2022 | 19:00 – 21:00

This is the final of 4 'bitesize' evening webinars exploring the evolving relationship with patients regarding Advance Future Care Planning (AFCP).

Learning Objectives:

- How do we initiate conversations with:
 - Patients stories
 - Dealing with bereavement
 - Support and signposting
 - The Balint Society.

This webinar is **FREE** and open to ALL clinical primary care professionals.

Please register [HERE](#).

Health Inclusion Event:

Caring for 'hard to reach' groups

Friday 24 June 2022 | 09:00 – 17:15 | Village Hotel, Cardiff

It is well documented that individuals with the poorest health outcomes from hard-to-reach groups include people seeking asylum, individuals experiencing homelessness and those affected by sex work. RCGP are hosting a CPD day where you can hear from and discuss with GPs and Consultants working with these groups and those with lived experiences of these situations.

Presentations from:

- Individuals in Health (primary and secondary care), council and 3rd Sector working with individuals seeking asylum, homeless individuals and Sex workers
- Individuals with lived experiences of seeking asylum and homelessness.

Event Aim:

- To increase knowledge across primary care regarding the health and social issues faced by those in 'hard to reach groups' and a chance to hear from those with lived experience
- A chance to discuss current models of health and access to primary care for these groups.

This event is suited to those working in areas of social deprivation to include all GPs, GP trainees, practice nurses and health visitors.

All tickets: £20. Includes refreshments throughout the day and lunch.

There are limited places available so please register [HERE](#).
